8.90.030 Permit requirements.

A. Application. Each alarm system shall require a city alarm permit. Every applicant for an alarm permit shall file with the city clerk, on forms provided by the city, a legibly written application, stating:

1. The name, address and telephone number of the applicant;

2. The address of the property on which the alarm system will be installed;

3. The number of alarm systems to be installed;

4. A description of the type(s) of alarm system(s) to be installed;

5. The name of the person or company who will install the alarm system at the location and who shall be responsible for its maintenance;

6. The name, address and phone number of one person or company who will be available to be contacted in the event of an alarm activation. In the event the name, mailing address or phone number of the person to be contacted changes, the applicant shall supply corrected information to the city clerk within five days of the change.

B. Fees. The city council shall, by resolution, not less than annually, establish fees for installation permits of such alarm systems. Such fees shall be established in accordance with the provisions of "costs reasonably borne" as a result of such installation. At the time of filing an application, the applicant shall pay the fee set by resolution of the council. An annual permit renewal fee shall be paid within thirty days of the expiration date if the applicant had less than seven false alarms within the previous fiscal year. The annual permit renewal fee shall be one hundred dollars, if the applicant had seven or more false alarms within the previous fiscal year.

C. Duration and Transfer.

1. An alarm permit may be issued at any time, but shall expire June 30th following the date of issuance.

2. Alarm permits shall not be transferable from one person to another or from one location to another.

D. An alarm permit applied for by an alarm agent shall attach a copy of the installation and service contract, if any.
